SRC = South Ridge Commissioner  
WRC = West Ridge Commissioner

**Scout Motto**  
**Be Prepared**

Use what you have...  
Where you are...  
Right now.

-Ernest Thompson Seton

Because this Map has an East Variation:

- To convert a compass bearing to a map bearing, ADD 3° to the compass bearing.
- To convert a map bearing to a compass bearing, SUBTRACT 3° from the map bearing.

If you do not make these corrections, your maximum error over a 1 mile straight line course is 276.43', or 603.43' over the width of Ingersoll.
